HEADTEACHER'S MESSAGE

Our thoughts are beginning to turn to next year and I thought it was time to share the class structure with you for 2009/10. Unfortunately, due to a smaller than usual Reception entry and with 40 students leaving us from Yr 6, we will need less classes. This means that we are unable to renew Miss Newman's and Miss Bendall's temporary contracts. They have been a fantastic asset to Bowsland Green this year. Both have been totally committed to the children in their classes and have joined in every activity with enthusiasm and good humour. They will be sorely missed both by the staff and children. I am pleased to say however, that they both have jobs for September in the same local primary school. They will be able to support each other and maybe bring a bit of Bowsland Green pizzazz to their new school.

As you will see from the structure below, many staff are changing age groups. This is important professional development for staff as they can extend their knowledge and skills of educational progression and look forward to a new challenge.

Class lists for next year are currently being considered and will be announced on moving up day, which is Tuesday 14th July.

PTA Fashion Show

The fashion show was great fun and raised some £550 for the school. The children and 'Ladies' were great models, looking really stylish in a wide variety of outfits and moving down the catwalk with great aplomb. Many thanks to everyone who organised and supported the event especially Miss 'Susannah' Spratt and Mrs 'Trinny' Wilson, who I forgot to thank on the night.

Katie was a natural model!

Our international super model- Miss Australia!
