'Building the Foundations for Lifelong Learning'

Newsletter 4th March 2011

HEADTEACHER'S MESSAGE

Science Week

The week beginning 14th March is our science week with recycling as the main theme. You may have noticed that the school has rather more litter than usual in the playground and field. This is because we have suspended litter collection for the last few weeks in order to do a whole school litter survey on the 17th March. The children will all be involved in a clean-up operation and then will analyse litter 'hot spots' so that we can place our bear bins in just the right places. The children will also be learning about the environmental impact of litter on themselves and wild life and why recycling is the way forward.

Our science week coincides with a South Gloucestershire community clean up project which some of our older children will also be taking part in.

So apologies for the untidy site but please 'bear' with us (pardon the pun!) It will soon be clean and tidy again and we hope will remain that way once the children understand the importance of putting their litter in the bin.

Uniform

Thank you to parents who took the time over the holiday to ensure that their children are kitted out in the correct uniform and shoes. From next week notes and/or texts will be sent home to make parents aware when children are not complying with our uniform code.

Caitlin and William- looking smart, thinking smart!

Star Gymnast

Congratulations to Millie Punton who won a bronze medal at the 2011 International Acro-Gymnastics Competition as part of a trio. Here she is with her medal.

Sainsbury Vouchers

Once again we are collecting the vouchers from Sainsbury to spend on sport and DT equipment. There is a box for them in the front entrance and vouchers will be very gratefully received.

Royal British Legion Poppy Appeal

We have received a 'thank you' from the Royal British Legion for the £84.06 that was raised at Bowsland in their recent appeal.
