## ‘Building the Foundations for Lifelong Learning’

Newsletter 21<sup>st</sup> October 2011

### HEADTEACHER’S MESSAGE

#### Halloween Disco

Thank you to all the parents, staff, governors and children, who helped make the Halloween Disco so enjoyable. We had close to 300 ghosts, ghouls, skeletons, pirates, zombies, bats and cats enjoying dancing, games and refreshments.

#### Raffle Prize

The fabulous first prize food and drinks hamper was not claimed on the night. If you hold ticket number **181** then please contact the school office about collecting your prize. (It is very heavy and will need a car to get it home).

#### Lost Wallet

Unfortunately one of our parent helpers lost their wallet last night. It is black and has the usual cash and credit cards in it. If you happen to come across it in the melee of hats, axes, masks and costumes please let the school office know.

Happy Holidays to you all!

#### Sponsored Assault Course

Thank you so much to everyone who raised money for the school through collecting and bringing to school their sponsorship money. Families and friends of the school have been very generous and in total we raised **£1812.62**. This is an amazing achievement in these difficult economic times. The top fundraiser this year was Elisha Molina-Hernija. All children who raised money will be awarded a certificate after the holiday. Well done and thank you again to all.

#### Reminders from the Headteacher

##### PE Kit

Despite constant reminders, every single day there are children in school without their PE kit. This means that they miss out on a lesson that is not only compulsory, but contributes to their health and well being. Teachers are extremely frustrated by this as it is not difficult to keep PE kit in school from Monday to Friday and take it home for washing on the weekend. Children will go to lost play to write a reminder note from the beginning of Term 2 if they do not have PE kit in school for their lessons.

##### Name Labels

Teachers, including myself, are also frustrated at the number of times we are asked to look for lost clothing that is not permanently named. We try our best at all times to remind the children about keeping clothing in an appropriate place but they are children and they do sometimes forget. We are happy to help locate named clothing but otherwise cannot take responsibility as it is beginning to take up too much of our time.
